Abstract submission

The abstract submission deadline is October 16, 2026. Although there is no registration fee, all participants are required to register by January 15, 2027.

Participants requiring visa support must register by November 13, 2026. After registration, we will request additional information, including flight details and hotel information, to begin the visa-support process. We therefore encourage you to make your travel and accommodation arrangements as early as possible.

Accommodations

Various types of hotels are available in Nagoya. Participants are kindly requested to arrange their own accommodation. If you need assistance, please contact us.

Banquet

The banquet will be held on February 18, 2027, at The Conder House in central Nagoya. The venue is housed in a historic building completed in 1926 as the head office of the former Nagoya Bank. Please join us for a memorable evening of dining and conversation in this elegant setting, where Nagoya's rich history meets modern hospitality. The banquet fee is JPY 8,000 per person. Accompanying guests are also most welcome.
